Paton Road Underpass: Temporary opening

The Paton Road underpass is part of the Davenport Diamond Greenway, a new green space in west Toronto. The underpass will open temporarily on **January 15, 2026*** to provide a convenient route while construction continues on the rest of the greenway.

**Date is subject to change.*

What to expect:

The Paton Road Underpass will open temporarily for pedestrians and cyclists starting January 15, 2026 until Fall 2026*

Construction activity will continue in the surrounding area as part of the Davenport Diamond Greenway project.

Future closures of the underpass may be required to complete additional work. Advance notice will be provided for any closures or changes to access.

Traffic control flaggers and signage will be implemented as needed near the underpass to facilitate movement through work zones.

The pedestrian connection will be accessible from Paton Road and Wade Avenue on the east side, and from Paton Road and Rankin Crescent on the west side, as shown on the map.

**Date is subject to change.*
