Bring Your Bike on the **GO Train** to Cycle Scenic Rural Routes

Story by
Katherine Ryalen

Cycling season is here, and you can't wait to hop on your bike to explore Ontario's stunning natural landscapes. The problem is... you're a city dweller. Not to worry. If you live in the GTA and find yourself craving rural routes, Metrolinx has you covered. Bring your bike on the GO Train to reach all the amazing cycling trails and pathways waiting for you beyond the urban boundaries of Toronto.

If you are a seasoned cyclist, experience The Group of Seven trail, which begins at the McMichael Canadian Art Collection in Vaughan. Your nearest GO Station is Langstaff GO, a leisurely 20 km cycle away, which takes about an hour. It's the perfect distance for a first leg of your ride, which means you've earned a rest by the time you arrive in the Village of Kleinburg. Explore charming cafes and restaurants for a quick refresher, then continue through the picturesque Humber River Valley, which inspired the work of the famous Group of Seven.

Niagara Day & Night

The roaring Niagara Falls is one of the great natural wonders of the world, and the city of Niagara Falls and the Niagara Region offer non-stop fun and experiences whether you are visiting during daylight hours, extending your day into the evening or making your trip an overnight escape.

And no matter how long you plan to spend in Niagara, a GO x WEGO combo ticket will get you to Niagara and back 7 days a week, all year round. It's affordable, convenient and a traffic-free way to travel for non-stop fun in Niagara.

During the day, experience the Falls from different vantage points – from behind on Journey Behind the Falls, from above on the WildPlay Zipline and Niagara Helicopters and over the Niagara River on the Whirlpool Aero Car. Get up close with City Cruise Niagara or walk through The Tunnel at the Niagara Parks Power Plant. The *new* Niagara Takes Flight

takes you on an immersive adventure along the entire Niagara River corridor and gets you closer than ever to the mighty Canadian Horseshoe Falls.

Clifton Hill offers non-stop action – from go-karts, to wax museums, mini-putt and 4D rides.

No matter what is on your itinerary, the Niagara Parks WEGO hop on, hop off bus is the best way to get to all the must-see attractions.

At night, the Falls light up – every evening, year-round, Niagara Falls illuminates in colourful lights; May through October there are nightly fireworks added to the stunning display. Take a ride on the Skywheel, daytime or night, for stunning aerial views of the Falls. Visit the Niagara Parks Power Station + Tunnel after dark for a sound and light show, to walk through the illuminated tunnel and for unique nighttime views of the Falls.

Fuel up at Table Rock Centre at the Bistro + Wine Bar, the Table Rock House Restaurant, at Queen Victoria Place for a meal with a view of the Falls, or the Sunday brunch

at Queenston Heights Restaurant or at any of the family-friendly restaurants on Clifton Hill.

With so much to see and do the whole year through, why not make your getaway an overnight staycation? There are countless options of where to stay including budget friendly motels, hotels with a view of the falls, family-friendly and casino resorts.
