

Oakville GO Station Improvements

July 2024

PROJECT OVERVIEW

Metrolinx's GO Expansion program is delivering more GO service across the network, including trains every 15- minutes or better on the Lakeshore West Rail Corridor. To support GO Expansion, we are upgrading the rail network and our GO stations to enable more frequent and fully accessible service.

WHAT WORK IS TAKING PLACE?

Construction activity	Scheduled Start Date	Expected Duration	Work Hours	Description of Work
Utility locates and borehole drilling	July 4, 2024	Approximately 3 weeks	Day and night work; Friday to Sunday	• Borehole drilling
<i>Work durations are approximate and may be rescheduled due to weather conditions or unforeseen circumstances.</i>				

WHAT TO EXPECT

- Between July 4th and 18th, we will be performing investigative work at the Oakville GO Station in preparation for renovation work at the station.
- The work will be carried out during the day and night when there is less customer activity in the parking lot.
- Surrounding residents and business will experience noise and vibration and some dust from the work.
- There will be some traffic control measures in place in the parking lot during the work.
- Lights will be focused on the work area and pointed away from nearby residential/commercial properties to minimize light pollution when possible.

Contractors will take reasonable precautions to minimize disturbances to residents and businesses including but not limited to the following:

- Ongoing monitoring for noise and dust
- Regular sweeping of streets.

COMMUNITY ENGAGEMENT

MetroInx has a dedicated community engagement team in place who works with residents and businesses in the Halton Region.
