## Leslieville/Riverside Community Working Group, Meeting #3

FEBRUARY 7, 2022

## Land Acknowledgement

Let us take a moment to acknowledge that we are on the traditional territory of Indigenous Peoples including the Anishnabeg, the Haudenosaunee and the Wendat Peoples.

We are all Treaty people. Many of us have come here as settlers and immigrants...in this generation or generations past.

Metrolinx declares its commitment to building meaningful relationships with Indigenous Peoples.

We acknowledge the historic and continued impacts of colonialization and the need to work towards meaningful reconciliation with the original caretakers of the land.

We acknowledge that Metrolinx operates on lands covered by 20 Treaties, and that we have a responsibility to recognize and value the rights of Indigenous Nations and Peoples and conduct business in a manner that is built on the foundation of trust, respect and collaboration.

## Safety Moment

Safety near rail corridors, tracks, bridges and crossings is paramount.

Our crews are often working in harsh weather conditions and within confined workspaces. They must remain focused on the work at hand, whether they are out surveying, conducting borehole drilling, or working to clear trees.

Please remember to stay back and let the crews do their work safely. We want them to get home to their loved ones at the end of the day, and we want our neighbours to stay safe too.

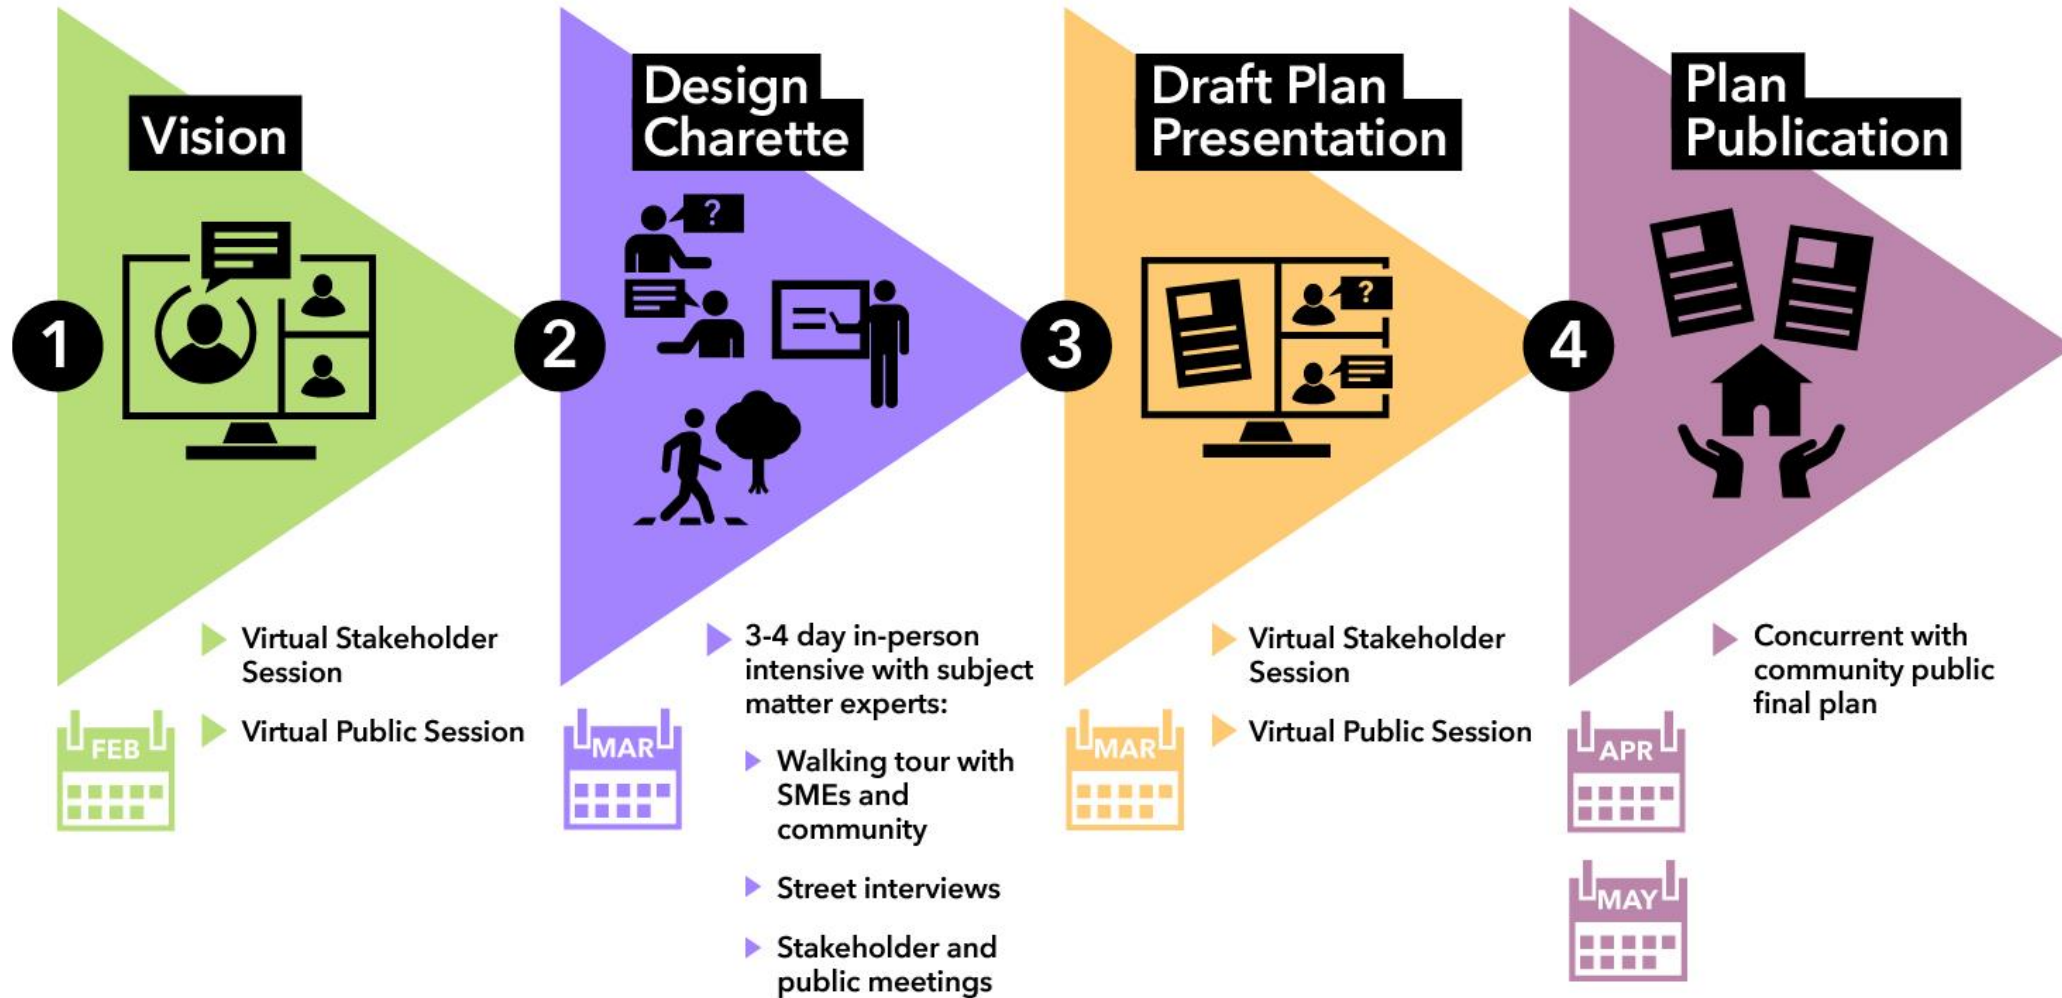

If you see someone dangerously close to a rail line, call 9-1-1 or call our Transit Safety line, open 24 hours a day, at 1-877-297-0642.
