Don,

In your capacity as Chair of Metrolinx, I ask that you revisit the organization's mission to ensure they are not simply words on a website. Metrolinx's proposal to build a train yard in Thorncliffe Park will do the opposite of what you intend. Rather than connecting communities, you will be building a large wall and cutting off communities. It is never too late to consider a reasonable alternative which SaveTPARK has proposed. As a board chair myself, I know how challenging these situations can be. However I am confident, that with all your experience, you will do the right thing.

Regards,

Jamie
