

Bloor Street W Ductbank and Chambers Install

August 2 - September 30, 2022

What work is taking place?

Construction of the new Toronto Hydro chambers and ductbank to be installed inside future south sidewalk at Bloor bridge location and crossing Bloor Street W is scheduled to start on Tuesday, Aug 2, 2022. Construction will be completed in multiple stages with alternating closures, one side of the road at a time. The work will begin on the south side in the eastbound lane. Eastbound lane will be closed, and south sidewalk will remain closed to pedestrians until construction is complete then construction will shift to the westbound lane. 2-way traffic and one sidewalk access will be maintained at all times.

When

Tuesday, August 2 to Friday, September 30, 2022.

Where

Bloor Street W from Ruttan Street to St Helens Avenue.

Hours

Continuous

**Please note that dates and times are approximate, and work could be rescheduled. For regular construction updates, please sign up for our Toronto West weekly newsletter by visiting our website at www.metrolinx.com/davenport or follow us on Twitter @GOExpansion.*
