Detailed Description

As part of the Finch West Light Rail Transit (LRT) Project, crews will continue working on building Keele station at the intersection of Keele Street and Finch Avenue West.

To continue with the works, traffic staging as shown above will remain in place for six (6) months, approximately. The traffic flip is scheduled to be done overnight on May 29, 2022

Work may be rescheduled due to weather conditions or unforeseen circumstances.

Please take extra care when navigating near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.

Minor field modifications may occur when needed to complete work safely and minimize impact on the public.

WORK HOURS:

- Work will primarily occur Monday to Friday from 7:00 am to 5:00 pm. There will be overnight and/or weekend work.
- Signs are installed to keep local residents informed about the closure.
- Dates are tentative and may change. Please visit us at www.metrolinx.com/finchwestlrt for up-to-date information.
- Inclement weather or unforeseen circumstances may delay work activities.

WHAT TO EXPECT

- Heavy trucks and equipment will be working in the area.
- Due to the nature of the work, at times there will be dust, noise and vibration associated with this work.
- Nearby businesses and residents can expect noise from excavators, bobcats, vacuum trucks and other construction equipment caused by road work activities.
- Expect delays near work zones.
- There will be a Paid Duty Officer, flaggers, and detour signs to direct traffic, as needed.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.
- TTC bus stops will be closed or relocated away from work zones, as needed.
- Relocation of bus stops is done in consultation with TTC.
- Access to TTC will be maintained at all times. Please visit www.ttc.ca for more information.
- Thank you for your patience and we apologize for any inconvenience.
