Project Information

Project Name

Exhibition Station Early Works

A. Site Address – Street information (applies to an address that has civic numbering and street information includes street number, name, type and direction) n/a	Unit Identifier (identifies type of unit, such as suite & number) n/a
---	---

Non Address Information (includes any additional information to clarify client's physical site location)

The project site is located along the Lakeshore West rail corridor at Exhibition GO Station, City of Toronto. The site extends from approximately Mowat Avenue in the west to Pirandello Street in the east and extends approximately 150 m north of the rail corridor between Atlantic Avenue in the west to Hanna Avenue in the east.

B. Brief Project Description

Exhibition Station early works include modifications and improvements to the existing Exhibition GO Station, including extension of the existing passenger tunnel; construction of vertical accesses; a temporary pedestrian bridge over the rail corridor; a new north GO platform and accompanying removal of existing north platform; minor shift of two northern-most GO tracks towards the northern limit of the existing rail corridor; and utility relocations as required to support this work.
