**Project Information**

Project Name

**Lower Don Bridge and Don Yard Early Works**

A. Site Address – Street information (applies to an address that has civic numbering and street information includes street number, name, type and direction) <b>n/a</b>	Unit Identifier (identifies type of unit, such as suite & number) <b>n/a</b>
---	---

Non Address Information (includes any additional information to clarify client's physical site location)

The project site extends from approximately 150 m east of the Don Valley Parkway in the east, to 400 m west of the Lower Don River in the west, and from south of Eastern Avenue along the Richmond Hill rail corridor in the north, to 100 m south of the Lakeshore East rail corridor in the south.

B. Brief Project Description

Lower Don Bridge and Don Yard early works include building a new bridge north of the existing rail bridge over the Lower Don River that will carry the Ontario Line tracks; shifting GO tracks in the Don Yard and nearby rail corridor to accommodate Ontario Line infrastructure; modifying the existing rail bridge to accommodate GO track shifts and Ontario Line infrastructure; and relocating and protecting utilities and signal infrastructure in the area.
