### Background

Starting Monday, October 31, 2022, the north side of Bay West Teamway (the indoor walkway on the west side of Bay Street) will be closed for construction. Stairs to GO train platforms 3-13 inside the Bay West Teamway will also be closed.

The closure is needed to maintain safety in this area while important City of Toronto construction takes place for the new pedestrian bridge over Bay Street.

### What work is taking place?

- EllisDon is constructing a pedestrian bridge over Bay Street that will extend the PATH from Union Station to the new office tower located at 141 Bay Street.
- To facilitate pedestrian bridge construction, a footing located directly against the north end of the Bay West Teamway is required to support the bridge. Hoarding will be erected beside the Bay West Teamway and in front of the three doors at the north end of the Bay West Teamway.

### When is the work taking place?

- The closure of the Bay West Teamway will start on October 31, 2022 and will continue until April 2023.
