

# Extension to maintenance of sewage system monitors along Langley Ave near Pape Ave

## Extended Until January 2023

**What is happening?**  
 To advance design concepts and other structural plans for the Ontario Line, Metrolinx will be maintaining sewage system monitors at locations along the Ontario Line

### Timing

- **Started:** May 24, 2022
- **Scheduled End:** Approximately January 2023
- **Hours:** 8 a.m. to 5 p.m.
- **Location:** 247 Langley Ave

### What to expect

- To understand how the sewer system behaves during wet weather. Crews will monitor existing monitoring wells.
- Maintenance of the monitors will be taking place around manholes and underground in the sewage system.
- **When maintenance is taking place, fencing will be put in place on sidewalks and portions of sidewalks may be closed.**
- Please take care when walking near construction areas. Watch for additional signs directing pedestrians, as detours may be required.
- **During work hours, some lane reductions may be required, and traffic will be diverted**
- Minimal noise is expected from this work.
- Work could be rescheduled and delayed due to weather conditions or any unforeseen circumstances.

### The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
