

**MINISTER'S NOTICE TO
PROCEED WITH TRANSIT PROJECT**

Ontario Regulation 231/08

SUBSECTION 12(1)(a)

RE: Proponent: Metrolinx

Project: GO Expansion – Heritage Road Layover

Project Description: New rail layover facility to provide additional overnight storage capacity located in the City of Brampton along the Kitchener GO Rail Line. Project includes four layover tracks, an access road and related facilities.

In accordance with subsection 12(1)(a) of Ontario Regulation 231/08, I hereby give notice allowing Metrolinx to proceed with the Heritage Road Layover transit project in accordance with the applicable environmental project report.

Metrolinx is now permitted to issue a statement of completion of the transit project assessment process. A statement of completion is the final part of the transit project assessment process. The process must be completed prior to the start of the construction phase of the project.

Dated the 21 day of October, 2022 at TORONTO.

Minister of the Environment, Conservation and Parks
