

# Nighttime Drilling in the E.T. Seton Park Archery Range

Starting as early as January 16, 2023

## What is happening?

Work is underway to deliver the new Ontario Line from the Science Centre to Exhibition Station to connect more people to more places.

Work crews will be drilling into the ground to gather information and evaluate underground conditions at E.T. Seton Park Archery Range. This information will be used to help inform design and construction plans for the northern part of the Ontario Line.

## Timing

- **Scheduled start:**  
January 16, 2023
- **Scheduled completion:**  
March 31, 2023
- **Days:**  
Seven days a week
- **Hours:**  
7 p.m. to 5 a.m.

## What to expect

- Work crews will be drilling at various locations to study ground conditions at E.T. Seton Park Archery Range, which will help inform design and construction plans for a new bridge that will carry subway trains across the Don Valley and throughout the northern part of the Ontario Line.
- The E.T. Seton Park Archery Range will be closed every night from 7 p.m. to 5 a.m.
- **No daytime disruptions to the archery range are expected.**
- Park users may hear noise similar to a vehicle idling with occasional hammering sounds.
- Various safety control measures, include flag persons and signage, will be in place to ensure safety for park users.
- Wooden matting will be placed in the archery range for vehicle access to protect the turf along the outside perimeter.
- Any equipment left on site will be secured at the east side of the archery range protected with fencing and safety signage.
- Security personnel may be present on-site in some areas.
- Work may be delayed or rescheduled due to unforeseen weather conditions.

## The Ontario Line

15.6 kilometres of transit service

Making it faster and easier for hundreds of thousands of people to get where they need to be

Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
