

## ROYAL YORK HEADWALL CONSTRUCTION BEGINS FEBRUARY 2023

The Eglinton Crosstown West Extension (ECWE) is one of four new subway projects that will transform transit in our region; getting hundreds of thousands of people where they need to be better, faster and easier than today.

### WHAT WORK IS HAPPENING?

Starting in February 2023, WestEnd Connectors Construction (WECC) will begin construction of the headwalls at the Royal York Road and Eglinton Avenue West intersection. This construction is anticipated to last until fall 2023.

Headwalls are underground support structures that create the frame for future subway stations and emergency exit buildings. The tunnel boring machines that are being used to build the tunnels will pass through these headwalls.

### WHAT TO EXPECT

- Nearby residents can expect to hear noise from equipment, such as drilling, compaction equipment, hauling trucks, excavators, dozers and generators.
- We are working as quickly as possible to minimize the impact to the neighborhoods. Mitigations are being put in place to reduce dust impacts, including the use of water sprays and biodegradable dust

### HOURS OF WORK

- Construction crews will work Monday to Friday between the hours of **7:00 a.m. and 11:00 p.m.** Weekend work may be required on occasion.

## TRAFFIC AND PEDESTRIAN IMPACTS

- This construction will not require any lane closures. If the construction schedule changes and lane closures are required, a separate notice will be issued to keep the public informed.
- Pedestrian detours may be required to ensure safe work sites and the safety of those travelling through the area. If additional pedestrian details or bus stop changes are required, a separate notice will be issued to keep the public informed.

The information provided above is anticipated based on the current construction schedule and is subject to change.

### Join the ECWE project's Construction Liaison Committee (CLC)!

The quarterly CLC meetings provide a forum for residents, businesses or other local parties who have an interest in construction activities to communicate and share concerns directly with project staff.

For more details on how to join the CLC, email us at  
[eglingtonwest@metrolinx.com](mailto:eglingtonwest@metrolinx.com).
