

# Site investigations and surveys associated with the Eglinton Crosstown West Extension

**Scheduled start:** Week of February 13, 2023

**Timing:** From 9:00 a.m. - 5:00 p.m.

**Map of work area:**

## What is happening?

- Crews will be conducting non-intrusive site investigations and surveys within the identified area in the map.
- The work is to compile and confirm data for the Eglinton Crosstown West Extension.

## What to expect

- Starting the week of February 13, residents and businesses near the site may see staff conducting site investigations and surveys during daytime working hours.
- The scope of this non-intrusive work includes environmental investigations, topographic studies, utility surveys and general existing conditions survey work.
- Crews will be on site to make observations and take notes, using hand-held equipment to take measurements and photos of the terrain.
- Traffic and pedestrian access will not be impacted.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.

## About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
