

Rail Corridor Mobilization: Burloak Drive & Harvester Road

February 27, 2023

An aerial image showing the work zone. The work zone depicted is approximate and for illustrative purposes only.

PROJECT INFORMATION

Metrolinx's GO Expansion program is delivering more GO service across the network, including trains every 15- minutes or better on the Lakeshore West Rail Corridor. To support GO Expansion, we are upgrading the rail network and our GO stations to enable more frequent and fully accessible service. To support the increase in GO Service, Metrolinx is working with the City of Burlington and the Town of Oakville to build the grade separation (separation of the rail from the rail corridor) at Burloak Drive. This work will enhance pedestrian and vehicular safety and will optimize traffic flow at this crossing.

WHAT WORK IS TAKING PLACE?

Crews will be mobilizing to set up the construction laydown area prior to commencement of work on the new Metrolinx rail signal plant. Once on-site, office trailers may be set up within designated areas on the north side of the Metrolinx Rail corridor. Please see below table for more information

Construction Activities	Scheduled Start Date	Expected Duration	Work Hours	Description of Work
Mobilization	February 27, 2023	Ongoing	Day/ Overnight Shift	Preparation of the construction laydown area and mobilization to site. Crews will install temporary fence, gates, an access ramp, and signage to delineate the work and access areas. Office trailers may be stationed on the north side of the rail corridor.
* Please note that work may be rescheduled due to weather conditions or unforeseen circumstances				

WHAT TO EXPECT?

Residents and businesses should expect some noise, vibration, dust, and site lighting. Our operations staff will take reasonable precautions to minimize disturbances to residents and commuters, including but not limited to the following:

- No idling of non-essential equipment
- Pointing lights away from residential windows
- Work area will be safely delineated

HOURS OF WORK

- Daytime work is expected to take place Monday to Friday between 7:00 a.m. and 5:00 p.m.
- Overnight work is required for safety when there is less train activity and is expected to take place Monday to Saturday between 7:00 p.m. and 5:00 a.m.

VEHICULAR TRAFFIC & PEDESTRIAN INFORMATION

- Increased construction vehicles and equipment can be expected in the work area.
- Vehicular traffic and pedestrians will not be impacted.
- Please exercise caution around active construction sites.
- Access to driveways will be maintained at all times.

COMMUNITY ENGAGEMENT

Metrolinx has a dedicated community engagement team in place who works with residents and businesses in the Halton Region. If you have any questions, please contact us using the information provided below. To receive updates, sign up for the Halton Region e-newsletter at [Metrolinx.com/subscribe](https://www.metrolinx.com/subscribe).

Thank you for your cooperation as we work to transform the rail corridor in your area.
