

Tree Removal-West of Martin Grove Rd. and East of Kipling Rd. at Finch Avenue West

Saturday March 11, 2023 – 7:00 a.m. – 5:00 p.m.

LOCATION: West of Martin Grove Drive and east of Kipling Road at Finch Avenue West

TIMING

- Saturday, March 11, 2023
- 7:00 a.m. – 5:00 p.m. approximately.

IMPACT

- Temporary rolling lane closures with single lane alternating traffic west of Martin Gove Road and east of Kipling Road at Finch Avenue West.
- Nearby residents and businesses near the sites may hear noise caused by chainsaws and woodchippers.

DETAILED DESCRIPTION:

As part of the Finch West Light Rail Transit (LRT) Project, crews have been working on road widening and new sidewalk construction along Finch Avenue West. For this work to continue 12 trees west of Martin Grove Road and 8 trees east of Kipling Road at Finch Avenue West need to be removed. This work will be completed on Saturday, March 11, 2023, approximately.

The removals are required at this time to ensure they do not impact bird nesting season. On average, our practice is to plant at least three trees for every single tree removed and we will work closely with the City of Toronto and the Toronto Region Conservation Authority on tree replanting locations.

Sidewalks and crosswalks may be closed periodically during this work. Minor field modifications will occur when needed to complete work safely and minimize impact on the public. Single lane alternating traffic arrangements will be in place during this work. There will be a Paid Duty Officer, flaggers, and detour signs to direct traffic, as needed.

Residents may experience noise from chainsaws and woodchippers during this work. We will monitor noise and vibration levels during these activities to identify the need for any mitigative actions, as necessary.

WORK HOURS:

- March 11, 2023, between 7:00 a.m. to 5:00 p.m., approximately.
- Unexpected circumstances (weather, equipment failure, etc.) may also change the above interruption plans or prolong the interruption.

WHAT TO EXPECT:

- Always use caution around construction zones.
- Please take extra care when walking near work sites, and always make eye contact with the driver before crossing in front of any equipment or vehicle.
- TTC bus stops may be closed or relocated away from work zones, as needed.
- Relocation of bus stops is done in consultation with TTC.
- Access to TTC will be always maintained.
- Please visit www.ttc.ca for more information.
- Thank you for your patience and we apologize for any inconvenience.
