

Partial Intersection Closure for Track Installation at Topflight Drive and Edwards Boulevard

Monday March 13, 2023 at 7 p.m. to Monday April 10, 2023 at 7 p.m.

What work is taking place?

Important work to install tracks for the Hazel McCallion line continues, requiring restrictions at the intersection of Topflight Drive and Edwards Boulevard. Crews will be excavating the corner of the roadway at the intersection to install tracks and pour concrete to construct the LRT guideway. This will enable the light rail vehicles to move between Hurontario Street and the Operations Maintenance and Storage Facility (OMSF). Left-hand turns from Topflight Drive onto Edwards Boulevard, as well as right-hand turns from Edwards Boulevard onto Topflight Drive, will be guided by a one-way (single lane) bi-directional signal.

During this process, motorists will be prohibited from making right-hand turns from Topflight Drive onto Edwards Boulevard. As well, left-hand turns will not be permitted from Edwards Boulevard onto Topflight Drive. In addition, northbound and southbound through-traffic on Edwards Boulevard, at Topflight Drive, will not be permitted.

The partial closure will begin on **Monday March 13, 2023, at 7 p.m.** until **Monday April 10, 2023 at 7 p.m.** Construction on following days at this intersection is scheduled to take place from 7 a.m. to 7 p.m., seven days per week until completion. Detour route to Edwards Boulevard will be accessible via Derry Road. Access for emergency vehicles through the intersection of Topflight Drive and Edwards Boulevard will be reduced to the same traffic restrictions. Traffic signal timings will be adjusted to keep people moving.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents and businesses near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axes, backhoes, and other construction equipment related to this work. Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.

TIMING

- Work at Topflight Drive and Edwards Boulevard is scheduled from March 13, 2023 until April 10, 2023.
