

Temporary Bus Stop Relocation at Scarlett Road and Eglinton Avenue West Intersection

Scheduled start: mid-March 2023 - mid-April 2023

New temporary bus stop location:

What is happening?

- WestEnd Connectors Construction (WECC) will be completing curb-side work at the southwest corner of the Scarlett Road and Eglinton Avenue West intersection.

What to expect

- To accommodate the completion of curb-side work, the bus stop at the southwest corner of the intersection will temporarily relocate approximately 30 metres east to the southeast corner.
- WECC is working with the TTC to install signage that indicates the location of the temporary bus stop.
- WECC is working closely with Metrolinx and the City of Toronto to ensure the impact to traffic along Eglinton Avenue West is as minimal as possible during this short phase of work.
- Construction crews will work Monday to Friday between the hours 7:00 a.m. and 11:00 p.m. Occasional weekend work may be required.
- The information provided above is anticipated based on the current construction schedule and is subject to change.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
