

# Investigative drilling work along Egan Avenue

Starting as early as March 21, 2023

## What is happening?

Work crews will use a drill rig and support trucks to gather information and evaluate underground conditions. This work is necessary for future work taking place in the rail corridor.

## Timing

- **Scheduled start:** March 21, 2023
- **Duration:** Approximately 2 days
- **Days:** Tuesday-Wednesday
- **Hours:** Approximately 7 a.m. to 7 p.m.

## What to expect

- Residents with vehicles parked near the work area may wish to move their vehicles before 7am on the days work is scheduled to take place.
- Work crews will require access to the southern dead-end on Kiswick Street.
- Residents and businesses near the work site can expect to hear noise caused by a drill rig and other construction equipment related to this work.
- There will be no impact to sidewalks.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
