

Wallace Avenue Bridge Girder Erection

October 7 – October 23, 2022 (Overnight)

What work is taking place?

The Installation of the structural steel bridge girders for Wallace Avenue Bridge.

When?

The work is scheduled to take place from Friday, October 07 to Sunday, October 23, 2022.

Where?

Between Lansdowne Avenue and Symington Avenue on Wallace Avenue (adjacent to the Metrolinx track crossing location)

Hours:

- Friday, October 7th from 18:00 to Tuesday, October 11th at 06:00 - 24hrs Shift
- From Tuesday, October 11th at 18:00 to October 23rd at 06:00. - Night shifts (18:00 to 06:00)
- Parking/Traffic restrictions start on October 05.

What to expect:

- From Friday, October 07 at 18:00 until Tuesday, October 11 at 06:00 local residents and businesses can expect that there will be no motorist, cyclist, or pedestrian access on Wallace Avenue, between Symington Avenue and Lansdowne Avenue. Detours will be in place via Dupont Street and Bloor Street. Through-traffic at the rail crossing during bridge installation process is prohibited. Closure and detour signage will be in place. Throughout the work there will be noise, lighting, construction trucks and supporting equipment. Two cranes, a transport truck and additional support equipment are anticipated. The area will be lit; however, the lighting design has been chosen to have the least amount of an impact on the neighborhood's residents and businesses.
