

Geotechnical drilling on Minton Place near Hopedale Avenue

Expected start: Monday, April 10, 2023

Expected duration: Up to 6 weeks

Timing: Weekdays from 7am to 7pm

What's happening?

- Work is underway to deliver the long-awaited Ontario Line, a new 15.6-kilometre subway line that will run from the Ontario Science Centre all the way to Exhibition Place, with 15 stations along the way.
- On Minton Place near Hopedale Avenue, crews will use a drill rig, pick-up trucks, and soil/water drums to gather information and evaluate underground conditions.

What to expect

- Residents near the work zone can expect to hear noise caused by a drill rig and other construction equipment related to this work. Every effort will be made to minimize disruptions.
- There will be no impacts to sidewalks, driveways, or residential properties for this work.
- Work equipment will be cleared from the site every night.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
