

Hydrovac test pit along laneway west of Pape Avenue and south of Cosburn Avenue

Starting as early as April 10th, 2023

What is happening?

MetroInx will be using a hydrovac truck to gather information and evaluate underground conditions. Using this information, MetroInx can determine the construction approach for this project.

Timing

- **Scheduled start:**
April 10, 2023
- **Duration:**
One Day
- **Hours:**
Approximately
9 a.m. to 3 p.m.

What to expect

- Residents and businesses near the work site can expect to hear noise caused by truck and other construction equipment.
- Crew will be conducting work on a single test pit to evaluate underground conditions.
- Equipment will be cleared at the end the shift.
- All required permits have been obtained.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
