

Partial Closures of Driveway Access at 4150 + 4168 Finch Avenue East

April 3rd-5th, 2023 & April 6th, 10th-11th, 2023

Photographs show the staged partial closures of the driveways at 4150 Finch Ave E, (Stages 1+4) and 4168 Finch Ave E (Stages 2+3).

What You Need to Know

Crews will be working in the City of Toronto right of way on Finch Avenue East. In order to complete important utility relocations, there will be staged partial closures of both the east and west driveways to 4150 and 4168 Finch Avenue East.

Partial closure of the 4150 and 4168 Finch Avenue E. driveways will be between April 3rd-5th, (stages 1 + 2), and partial closure of the driveway will be between April 6th, 10th and 11th, 2023. During work, crews will be working in stages, blocking only one side of the driveway at a time. Each stage will take approximately 3 days to complete. Each driveway will take 3 days to complete. Once complete, full access to the driveways will be restored.

SmartTrack Finch Kennedy GO Station

SmartTrack is bringing five new GO stations to Toronto, leveraging roughly 40 km of Metrolinx's pre-existing GO rail corridors within Toronto. The new SmartTrack Finch-Kennedy GO Station will be located on Finch Avenue East between Milliken Boulevard and Midland Avenue, on the Stouffville GO rail corridor.

Work Details

- Crews will be digging an open trench across each driveway.
- Work is being completed in 4 stages in order to maintain access from Finch Avenue East.
- After each stage of work, the trench will be back-filled and the driveway will reopen.

Location

- Work is taking place in the City of Toronto right of way, in front of 4150 and 4168 Finch Ave East.
