

Partial Intersection Closures for Track Installation at Prologis Boulevard/Annagem Boulevard and Hurontario Street

Tuesday April 11, 2023 at 10 p.m., to Monday May 8, 2023 at 10 p.m.

What work is taking place?

Important work to install tracks along Hurontario Street continues, requiring partial east-west intersection closures and left-turn restrictions at the intersection of Prologis Boulevard/Annagem Boulevard and Hurontario Street. Crews will be excavating the centre of the intersection to install tracks and pour concrete, enabling the guideway to move through intersections along Hurontario Street. The closure at Prologis Boulevard/Annagem Boulevard will take place from **Tuesday April 11, 2023 at 10 p.m.**, until **Monday May 8, 2023, at 10 p.m.**

Construction work at this intersection is scheduled to take place 24 hours per day, including weekends until completion. Access for emergency vehicles across Hurontario Street at Prologis Boulevard/Annagem Boulevard will not be maintained. Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk. Please follow the signs installed to assist with navigating around the closure.

Transit services will be impacted by these temporary intersection closures. Please visit www.miway.ca/updates, bramptontransit.com and gotransit.com for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axes, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.
