

Bloor Street West Partial Closure

Monday May 15, 2023 at 06:00 to Friday May 26, 2023 at 18:00 - ***TENTATIVE DATES***

Project Overview

Information as of: April 26, 2023

Please note that dates and times are approximate, and work could be rescheduled.

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line.

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

To complete the bridge demolition work, a series of closures will be required on Bloor Street West, between St. Helens Avenue and Ruttan Street.

Partial closures will be required from Monday, May 15, starting at 6 a.m. to Friday, May 26, at 6 p.m. During the partial closures, traffic will be shifted but will remain open in both directions, and one sidewalk will always remain open for pedestrians.

In addition to these partial closures, a continuous full closure will be required from Friday, May 19 starting at 6 p.m. to Monday, May 22 at 6 a.m. All traffic lanes and sidewalks will be closed. No through-traffic of any kind permitted. Closure & detour signage will be in place. Refer to "*Bloor Street West Full Closure for Bridge Demo*" notice for more details.

WHAT TO EXPECT

- Local residents can expect construction activity, demolition, noise, and lights. The work being performed will require heavy construction equipment and operating machinery (cranes, breakers, hammer drills, and grinders), and vibration. These disturbances can be expected at any time during the weekend including during the night.

HOURS OF WORK

- 06:00 - 20:00

HOURS OF PARTIAL CLOSURE

- 00:00 - 23:58

PEDESTRIAN DETAILS

- Pedestrians can expect one sidewalk to remain open during the partial closure.
- Pedestrians can expect to be detoured by signage to the opposite sidewalk on Bloor Street West where work is not occurring.
- **Bloor Street West will be completely closed for all traffic from St. Helens Avenue and Ruttan Street from Friday May 19 at 18:00 to Monday May 22 at 06:00.**

TRAFFIC DETAILS

- Vehicular traffic can be expected to experience narrow lanes. Bloor Street West will remain one lane for vehicles travelling east and west.
- Bike lanes will be closed; therefore, cyclists are expected to follow the rules accordingly.
