

Bloor Street West Full Closure for Bridge Demo

Friday May 19, 2023 at 18:00 to Monday May 22, 2023 at 06:00

TENTATIVE DATES

Information as of: April 26, 2023

Please note that dates and times are approximate, and work could be rescheduled.

Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line.

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

To complete the bridge demolition work, a full closure will be required on Bloor Street West, between St. Helens Avenue and Ruttan Street. A continuous full closure will be required from Friday, May 19 starting at 6 p.m. to Monday, May 22 at 6 a.m. During the full closure weekend, all traffic lanes and sidewalks will be closed. Closure & detour signs will be posted at nearest signalized intersections well in advance of the work. Paid duty officers will be present at both sides of the closure during the weekend of full closures. Work zone will be fenced off.

WHAT TO EXPECT

- Local residents can expect construction activity, demolition, noise, and lights. The work being performed will require heavy construction equipment and operating machinery (cranes, breakers, hammer drills, and grinders), and vibration. These disturbances can be expected at any time during the weekend including during the night.

PEDESTRIAN DETAILS

- All traffic lanes and sidewalks will be closed.
- Closure & detour signs will be posted at nearest signalized intersections well in advance of the work.

HOURS OF WORK

- 00:00 - 23:59

TRAFFIC DETAILS
