

Environmental Assessments

Scheduled start: May 16, 2023 to June 30, 2023

Timing: From 9:00 a.m. to 10:30 p.m.

Map of work area

What is happening?

- Staff will be on site conducting non-intrusive site surveys along the ECWE project corridor.
- The environmental surveys being undertaken include aquatic/wetland assessments, bird surveys, amphibian surveys, tree inventories, butternut assessments and SAR acoustic surveys.
- This work is required to advance work on the stations, rails and systems for the ECWE.

What to expect

- Between May 16 and June 16, residents and businesses near the site may see staff conducting site investigations and surveys between 9 a.m. and 10:30 p.m.
- Staff will be on site to make observations and take notes.
- Traffic and pedestrian access will not be impacted.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
