

Overhead Utilities Works and Lane Closure- Thickson Road, Whitby, ON

Starting May 29, 2023

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

To support GO Expansion projects, crews will be mobilizing to take overhead utilities and transfer them underground to remove overhead cable conflicts over the Metrolinx Lakeshore East corridor. To help support this, there will be a one-lane closure on Thickson Road.

WHAT TO EXPECT

- Crews will be on site to take overhead utilities and transfer them underground to remove overhead cable conflict over the Metrolinx LSE corridor to support GO Expansion projects.
- Crews will be operating within Metrolinx and CN bridge right of way.
- Crews will be on site beginning **May 29 until September 29, 2023**.
- There will also be a one-lane closure on Thickson Road, as detailed below under Traffic Details.

Please Note: The work start date is tentative and may be rescheduled due to a variety of factors. Please reach out to the Durham Region Community Engagement Team for any questions.
