

# Major Track Closure

## Supertest Rd - Carl Hall Rd

Saturday June 17, 07:00 to 17:00

Construction works occurring within the rail corridor from Supertest Road to Carl Hall Road.

### Project Overview

The Barrie Double Track Enabling Works project includes changes and upgrades to the existing rail corridor that will allow for the future installation of a second set of tracks to support two-way, all day service on the Barrie Line.

The Project Area is within the City of Toronto and goes from King Street West to the south and Finch Avenue West to the north. The major track closure extends from Supertest Road to Carl Hall Road.

## What You Need to Know

Metrolinx will be completing construction works within the rail corridor between Supertest Road to Carl Hall Road to provide for an additional set of tracks. To prepare for the main works, crews will be relocating buried signal cables within the corridor to support grading for the future installation of a culvert.

---

## WHAT TO EXPECT

- The work will be conducted as quickly and efficiently as possible to minimize disturbances.
- All work will occur within the rail corridor with designated access routes for construction staff.
- All work will occur when there is no train service.
- Some noise and vibration that is typical of construction activities. Residents and businesses near the work site can expect to hear noise caused by mini excavators, pick up trucks and other construction equipment related to this work. Noise levels and vibration levels will be within Project requirements.
- Efforts will be made to minimize dust and minimize idling.

## HOURS OF WORK

- 07:00 to 17:00 on Saturday June 17.

## TRAFFIC DETAILS

- There will be no traffic or pedestrian impacts.
