

Lane Reductions at Britannia Road and Hurontario Street

Beginning Tuesday June 20, 2023 at 10 p.m., to Monday August 14, 2023 at 10 p.m.

What work is taking place?

Crews will be welding tracks and doing concrete work for guideway installations within the intersection of Hurontario Street and Britannia Road. Work will begin on the south half of the intersection. When completed, crews will shift staging over to the north half of the intersection. During this process, east-west traffic will be reduced to single lanes in each direction. Left-turns will also not be permitted. Detours routes are available via Hurontario Street and Brunel Road/Sandstone Drive. Work is scheduled to begin on **Tuesday June 20, 2023 at 10pm, until Monday August 14, 2023 at 10pm.**

Construction work at this intersection is scheduled to take place 12-24hrs hours per day, until completion. Access for emergency vehicles across Hurontario Street along Britannia Road will be maintained. Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk. Please follow the signs installed to assist with navigating around the closure.

Transit services will be impacted by these temporary intersection closures. Please visit www.miway.ca/updates and www.brampton.ca/transit for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axes, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.

TIMING

- Intersection work is scheduled to begin June 20, 2023 until August 14, 2023
- Construction is scheduled to occur from 12-24hrs per day, 7 days per week.
