

Overnight Works

Monday, June 26 - Friday, July 28, 2023

Construction works occurring within the rail corridor, from Cartwright Avenue to the south and Highway 401 to the north.

Project Overview

The Barrie Double Track Enabling Works includes changes and upgrades to the existing rail corridor that will allow for the future installation of a second set of tracks to support two-way, all-day service on the Barrie Corridor.

The Project Area is within the City of Toronto and extends from King Street West to the south and Finch Avenue West to the north. The construction activities will be occurring from Cartwright Avenue to the south and Highway 401 to the north.

What You Need to Know

Information as of: 15 June 2023

Metrolinx will be completing construction works to provide for an additional set of tracks. To prepare for the main works, installation of noise barriers will occur within the rail corridor from Cartwright Avenue to the south and Highway 401 to the north. Noise barrier construction will include drilling of posts and installing noise barrier panels.

WHAT TO EXPECT

- The work will be conducted as quickly and efficiently as possible to minimize disturbances.
- All work will occur within the rail corridor with designated access routes for construction staff.
- All work will occur when there is no train service. Nearby residents may notice overnight works consistent with small scale construction.
- Equipment lights and bright flood lights will be used during nighttime works. Flood lights will be pointed downwards to minimize impacts to residents.
- Some noise and vibration that is typical of construction activities. Residents and businesses near the work site can expect to hear noise caused by excavators, concrete trucks and other construction equipment related to this work. Noise levels and vibration levels will be within Project requirements.
- Efforts will be made to minimize dust and minimize idling.

HOURS OF WORK

- Works will occur Sunday through Thursday, 7:00 p.m. to 7:00 a.m.

TRAFFIC DETAILS

- The work will be conducted as quickly and efficiently as possible to minimize disturbances. There will be no traffic or pedestrian impacts.
