

# Site investigations in Fergy Brown Park

**Scheduled start:** July and August

**Timing:** From 9:00 a.m. – 5:00 p.m.

**Map of work area:**

## What is happening?

- Metrolinx staff will be conducting non-intrusive site investigations within the identified area in the map.
- The site investigations and surveys are to compile and confirm data for the future Eglinton Crosstown West Extension project.

## What to expect

- Throughout July and August, residents and businesses near the site may see Metrolinx staff conducting site investigations during daytime working hours.
- The scope of this work is non-intrusive. Staff may be using hand equipment required to complete the various investigation works.
- Traffic and pedestrian access will not be impacted.

## About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometres from the future Mount Dennis LRT station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
