

Eglinton GO Station Weekend Track Closure & Overnight Work

July 21 - 24, 2023

WHAT WORK IS TAKING PLACE?

To support the *Eglinton Go Accessibility Upgrades* project, crews will require weekend track closures to complete full rehabilitation and widening of existing station platforms, including full reconstruction of asphalt and the replacement of the track side curbs. This work will be phased, with the northeast section of the platform to be completed during the first track closure.

HOURS OF WORK

Work will be continuous for 24 hours beginning July 22 at 12:30 AM until July 24 at 5:00 AM.

WHY OVERNIGHT?

Overnight work is necessary, as this work cannot be completed safely for construction crews while trains are active and running during the day. We thank you for your patience as we work to expand and improve the GO network.

WHAT TO EXPECT

- Nearby residents can expect moderate construction noise and vibration, equipment movement and lighting.
- All efforts will be taken by Kenaidan Contracting Ltd. to limit disruptions and mitigate impacts like ensuring lighting is directed within the work area.
- The work area will be safely delineated.

UPCOMING WORK

Construction Activities	Scheduled Start Date	Expected Duration	Work Hours	Description of Work
Weekend Track Closure	August 11	August 14	24 hours	To perform work to rehabilitate and reconstruct existing station platforms, beginning in the northeast section.
Weekend Track Closure	September 22	September 25	24 hours	To perform work to rehabilitate and reconstruct existing station platforms.
Weekend Track Closure	October 13	October 16	24 hours	To perform work to rehabilitate and reconstruct existing station platforms.
