

# Fence Construction at the Traction Power Substation at 795 Warden Avenue

Tuesday, August 1, 2023

## What Work is Taking Place?

As early as Tuesday, August 1, 2023, crews will begin constructing a new metal fence around the Traction Power Substation at (795 Warden Avenue). To facilitate this work, access to the laneway on the south side of 1923 Eglinton Avenue East will be periodically restricted and access to the southwest corner of the parking lot at 1941 Eglinton Avenue East will be restricted. Construction activities include concrete removals, digging, hammering and drilling, and concrete pours. This work is expected to take place on Monday - Friday, between 7:00 a.m. and 5:00 p.m. for approximately three (3) months. Upon completion of this work, short term lane reductions may be required to facilitate special activities.

## What to Expect

Construction of a new 3 to 4-metre-tall metal fence. Temporary barriers will be installed during the time of the fence construction. Noise from construction activities can be expected. Affected properties have been notified directly.

---

## HOURS OF WORK
