

# Overnight drilling near Don Mills Road and Gateway Blvd

**Expected start date:** As early as Sunday, July 16, 2023

**Expected duration:** Four weeks

**Hours of work:** 6:30 p.m. to 8:30 a.m. on weeknights (Sunday to Thursday)

## Map of work zones:

## What is happening?

- Metrolinx will drill boreholes to study ground conditions. Using this information, Metrolinx will determine the construction approach for the Ontario Line subway project.

---

## What to expect

- Residents near the work area may hear noise from drill rigs, hydro excavation trucks, and other construction equipment. Hydro excavation trucks will only be used before 9:00 p.m.
- There will be no impacts to pedestrians, buses, or vehicle traffic along Don Mills Road or Gateway Boulevard.
- Work is taking place overnight in order to minimize impacts to the Ontario Science Centre during their visitor hours.
- Equipment will be stored onsite between work hours.
- All the necessary permits and permissions have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances.

---

## About the project

- The Ontario Line will be a 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- The line will bring 15 new stations to the city and will run from Exhibition Place, through downtown, all the way to Don Mills Road and Eglinton Avenue East.
- It will accommodate nearly 400,000 daily trips and provide significant relief from crowding throughout the existing transit network thanks to connections to more than 40 other subway, GO train, LRT, streetcar, and bus routes.
