

# Update: Road Closure at Mineola Road East and Hurontario Street

Monday July 31, from 7 a.m. to 10 p.m.

## What work is taking place?

Construction crews will be making the final watermain connection in this area. This will result in the temporary full closure of Mineola Road East at Hurontario Street on July 31, 2023. The work is scheduled to take place between the hours of 7 a.m. and 10 p.m. The roadway will be closed throughout this period and access for emergency vehicles will not be maintained. Emergency vehicles will use an alternate route as required and a paid duty police officer will be present to control traffic at the intersection during construction hours. Any temporary disruption to water service will be communicated in advance by a Region of Peel representative.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, backhoes, and other construction equipment related to this work, so crews will be able to complete this work safely and efficiently.

MiWay Route 8 will be affected by the closure of Mineola Road East and there will not be transit service on Mineola Road/Atwater Avenue. Instead, the route will travel along Cawthra Road to Lakeshore Road. Visit [www.miway.ca/updates](http://www.miway.ca/updates) for updates.

During this closure, motorists can access Mineola Road East from Hurontario Street using the detour map provided. Please note, work may be rescheduled due to weather or unforeseen circumstances.
