What Work is Taking Place?

As early as Monday, July 24, 2023, crews will begin installing the permanent traffic signals on the northwest and southwest corner of Eglinton Avenue and Avenue Road. To facilitate this work safely, a work zone will be in place in the south lane on Eglinton Avenue, west of Avenue Road. Eastbound through and right turn traffic on Eglinton Avenue will be maintained at Avenue Road. Southbound traffic on Avenue Road will be reduced to one through lane at Eglinton Avenue. The crosswalk on the west side of the intersection will be restricted while work takes place. Pedestrians will be rerouted safely around the work zone. All other traffic staging will remain in place. Access to businesses will be maintained at all times. This work is expected to take place on Monday to Friday between 7:00 a.m. and 6:00 p.m. for approximately one (1) month. Affected properties have been notified directly. Upon completion of this work, short term lane reductions may be required to facilitate special activities. For more information, please review the complete notice or visit www.thecrosstown.ca

What to Expect

Traffic barrels and fencing will be in place to delineate pedestrians from the work zones and traffic. Temporary pedestrian rerouting will be implemented. Noise from construction activity including concrete breaking and truck staging can be expected. Periodic use of a hydro-vacuum truck will be required to facilitate certain works. Affected properties have been notified directly. Expect delays while travelling through the intersection.

HOURS OF WORK

- As early as Monday, July 24, 2023, for approximately one (1) month.
- Construction activities are expected to take place on Monday - Friday between 7:00 a.m. - 6:00 p.m.
