Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line.

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

To complete the construction of a storm sewer drainage connection, a partial lane closure will be required on Wade Avenue, between Jenet Avenue and Paton Road.

Partial lane and sidewalk closures will be required from ~~Monday June 19 to Friday June 30~~ **Monday June 19 to Friday August 18**. During the partial closures, traffic will be shifted but will remain open in both directions, with vehicles yielding to oncoming traffic. One sidewalk will always remain open for pedestrians. Road and sidewalk to be opened when work is not occurring.
