

Davenport Storm Connection

~~Monday August 7, 2023 - Friday August 18, 2023~~

Monday August 21, 2023 - Friday September 1, 2023

Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line.

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

In order to complete the storm sewer connection from Metrolinx right of way to manhole within Davenport roadway at Caledonia Park Road, a partial closure on Davenport Road is required. Partial lane and sidewalk closures will be required starting from Monday August 21, 2023. During the partial closures, traffic will be shifted but will remain open in both directions, and one sidewalk will always remain open for pedestrians.

WHAT TO EXPECT

- Noise - Back-up Alarms, all vehicles to be equipped with broadband backup alarms. Operational Equipment Noise, no vehicle or equipment idling, Equipment noise and increased truck traffic.
- Noise impacts - All vehicles and equipment on site will be equipped with backup alarms. Artificial Lighting impacts - All light plants will be pointed in the direction of the corridor and facing the ground as not to shine in any business or residential windows.

HOURS OF WORK

- 07:00-19:00

HOURS OF PARTIAL CLOSURE

- 00:00 - 23:59

PEDESTRIAN DETAILS

- Pedestrians can expect one sidewalk to remain open during the partial closure.
- Pedestrians can expect to be detoured by signage to the opposite sidewalk on Davenport Road.

TRAFFIC DETAILS

- Vehicular traffic can be expected to experience narrow lanes. Davenport Road will remain one lane for vehicles travelling east and west.
- Bike lanes will be closed; therefore, all road users are expected to follow the rules accordingly.

OTHER INFORMATION

- These dates are tentative and may be subject to change due to weather or unforeseen circumstances.
- Work will be conducted as quickly and efficiently as possible to minimize disturbance but residents and businesses in the area can expect to hear noise caused by trucks, equipment, machinery, and crews.
