

Centennial Parkway Traffic Lane Closures

Thursday August 17, Friday August 18, 2023 - 8:30am - 7:00pm

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology and more connections. Across the entire network, our goal is to deliver more than 10,000 train trips a week.

You won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

To facilitate the ongoing construction of the new **Confederation GO Station**, some traffic lanes will be closed **Thursday August 17 & Friday August 18, 2023, from 8:30am to 7:00pm both days** to allow for bridge girder installations to support the construction of the new platform to be installed.

This work will affect both **northbound and southbound traffic on Centennial Parkway between Goderich Rd and Arrowsmith Rd**. Motorists should expect traffic delays. To ensure everyone's safety, pedestrians are advised that **sidewalks on both sides of Centennial Parkway will be closed** between Arrowsmith Road and Goderich Road.

Photo Right: Traffic lane and sidewalk closures for Thursday, August 17, 2023

During this time, motorists traveling in the north and south lanes of Centennial Parkway will be required to follow the direction of traffic flag persons at the location, driving with caution through the area. **Please note, construction dates are approximate and subject to change due to weather and other considerations.**

Centennial Parkway Traffic Lane and Sidewalk Closures for Friday, August 18, 2023
