

Overnight utility installation work at Robert Speck Parkway and Hurontario Street

Wednesday August 23 to Tuesday September 5, 2023

Works are scheduled to take place Monday to Saturday from 7 p.m. to 7 a.m.

What work is taking place?

As utility upgrades progress in the area, crews will be installing Alectra electrical ductbanks at Robert Speck Parkway and Hurontario Street during the nights from **August 23 to September 5, 2023**. The work hours are 7 p.m. to 7 a.m. on each night, Monday to Saturday. Some temporary lane closures and turn restrictions will be required during this work. During the first stage of night works, there will be no southbound left turns from Hurontario Street and westbound left turns from Robert Speck Parkway. There will be no right turns from Robert Speck Parking onto Hurontario Street during the second stage of night works.

All works are being done overnight so crews will be able to complete their work safely and efficiently while minimizing impacts.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.

TIMING

- Nightworks are scheduled on Robert Speck Parkway and Hurontario Street between from August 23 to September 5, 2023.
- The work hours are Monday to Saturday, 7 p.m. to 7 a.m.
