

# Asphalt Restoration Works at Eglinton Avenue West and Chaplin Crescent

As early as Thursday, August 17, 2023

## What Work is Taking Place?

As early as Thursday, August 17, 2023, crews at Chaplin Station will be performing asphalt restoration works at Eglinton Avenue West and Chaplin Crescent and in the laneway at the Tertiary Entrance. To facilitate this work safely, traffic on Eglinton Avenue West will be reduced to one lane in each direction between Gilgorm Road and Latimer Avenue. Northbound traffic on Chaplin Crescent will be reduced to one through lane at the intersection. Access to the laneway between Chaplin Crescent and Russell Hill Road will be restricted at Chaplin Crescent for the first two (2) days while this work takes place. Access to the laneway will be maintained via Russell Hill Road. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue West. Work is expected to take place on Monday - Saturday between 7:00 a.m. and 5:00 p.m. for approximately one (1) week. Occasional overnight work may be required for special activities. Upon completion of this work, short term lane reductions may be required to facilitate special

activities. Please review the complete notice or visit [www.metrolinx.com/eglintoncrosstownlrt](http://www.metrolinx.com/eglintoncrosstownlrt) for more information.

## What to Expect

Noise from construction activities including asphalt removals (milling) and asphalt paving can be expected. Concrete barriers, fencing, and signage will be in place to delineate the work zones. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue West. Occasional overnight work may be required for special activities. Expect delays while traveling through the area.
