

Access road construction in Walmsley Brook area

Expected start date: Mid-August 2023

Expected duration: Up to 8 weeks

Hours of work: 7:00 a.m. to 7:00 p.m.

What is happening?

- Metrolinx is creating access roads and laydown areas that are needed for preparatory work in advance of future construction of the Walmsley Brook Crossing, one of the bridges that will carry Ontario Line subway trains across the valleys in the northern part of the line.

What to expect

- Work areas will be fenced off and secured to ensure public safety. They will also be clearly marked with signage.
- Businesses and other organizations near the work areas can expect to hear noise from construction vehicles and equipment.
- There will be no impacts to roadways or sidewalks for this work.
- When construction vehicles enter or exit the work areas, traffic control personnel will coordinate the safe movement of vehicles and ensure pedestrian safety.
- Where required, crews will install barriers around nearby trees that are being protected and preserved.
- Equipment will be left onsite and will be properly secured during non-working hours.
- Weekend work may be required and can be expected.
- All the necessary permits have been obtained, and all applicable environmental regulations will be followed.
- Work may be postponed or rescheduled due to unforeseen circumstances.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
