

Groundwater sampling on Minton Place

Expected start date: As early as August 15, 2023

Expected duration: Up to three weeks

Hours of work: Weekdays from 7:00 a.m. to 7:00 p.m.

What is happening?

- Work crews will be using handheld equipment to monitor and sample groundwater from geotechnical wells located in the middle of the roadway.
- Parking will not be permitted within the work area during the sampling period. Vehicles left in the work area may receive a free “friendly tow” to a nearby street parking location.

What to expect

- Workers will be using handheld equipment to monitor and sample groundwater from geotechnical wells. The wells are located in the middle of the roadway. Sidewalks and private driveways will not be impacted.
- Drums will be left on site after each work shift and will be properly secured for safety.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- If friendly towing is required for vehicles left on the roadway within the work area, a Paid Duty Officer will oversee the free towing to a nearby street parking location. Vehicle owners can contact the Ontario Line at 416-202-5100 regarding the location of their vehicle.
- All the necessary permits have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
