

# Lane closure on Beth Neelson Drive for groundwater sampling

**Expected start date:** As early as August 15, 2023

**Expected duration:** Up to three weeks

**Hours of work:** Weekdays from 7:00 a.m. to 7:00 p.m.

## What is happening?

- Work crews will be using handheld equipment to monitor and sample groundwater from geotechnical wells located in the middle of the roadway.
- This work will require a lane closure on Beth Neelson Drive, with traffic control personnel directing north and south traffic.

---

## What to expect

- Workers will be using handheld equipment to monitor and sample groundwater from geotechnical wells. They will be working in the middle of the Beth Neilson Drive roadway, which will require a lane closure. Traffic control personnel will direct north and south traffic.
- Please take care and follow the directions of traffic control personnel and signage.
- Drums will be left on site after each work shift and will be properly secured for safety.
- All the necessary permits have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances.

---

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
