

# Overnight drilling on Queen St W

**Expected completion date:** September 5, 2023

**Hours of work:** Sunday to Thursday from 8 p.m. to 5 a.m.

## What is happening?

- Work crews are conducting borehole drilling on Queen St West and Simcoe St.
- Borehole drilling will take place overnight Sunday to Thursday from 8 p.m. to 5 a.m.
- Work is scheduled to be completed by September 5, 2023.
- One eastbound lane on Queen St. West will be closed with partial sidewalk closures. Pedestrian access will remain open at Queen St West at all times.
- Borehole drilling is necessary to test the ground conditions under the street for the construction of the Ontario Line subway tunnels.

---

## What to expect

- Nearby residents and businesses can expect to hear noise related to drilling, hydrovac work, and the use of heavy equipment. Crews will take measures to minimize noise impacts wherever possible.
- After each work shift, the hole will be securely covered and marked for safety until workers return to continue drilling.
- Please take extra caution when near construction work sites.
- Work may be delayed or rescheduled due to unforeseen weather conditions.

---

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
