

# Centennial Parkway Rotating Traffic Lane & Sidewalk Closures

Monday, August 28 to Friday, September 8, 2023

## Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology and more connections. Our goal is to deliver more than 10,000 train trips a week across the entire network. You won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

## What You Need to Know

Construction crews will be installing a pedestrian platform bridge at Confederation GO Station in Hamilton. To facilitate this work, rotating traffic lanes and sidewalks will be closed periodically on Centennial Parkway North between Goderich Road and Arrowhead Road. Work may begin as early as 5:30am and will last until 4:30pm from August 28 to September 8, 2023.

### WHAT TO EXPECT

There will be traffic lane and sidewalk closures on a rotating basis on Centennial Parkway between Goderich Road and Arrowsmith Road from **Monday August 28, 2023 to September 8, 2023**. Dates are approximate and subject to change to due weather and other considerations.

#### LOCATION

Centennial Parkway North from Goderich Road to Arrowhead Road.

#### TRAFFIC

During construction activities, motorists should expect minor traffic delays and pedestrians should use only the open sidewalk on Centennial Parkway. Traffic control measures will be in place as needed during construction.
