<b>Purpose: CLC – King/Bathurst</b>	MX Document ID: Page No. 1 of 1

## **Summary**

On Thursday, July 13, 2023, Metrolinx hosted the inaugural King/Bathurst CLC meeting, in partnership with OTG. Metrolinx and OTG representatives provided attendees with an overview of the Ontario Line subway project, with specific focus on the planned King/Bathurst station, including overview of future station buildings, construction and traffic management plans, and expected benefits. Representatives from Metrolinx and OTG addressed questions and took feedback from attendees during the meeting.

There was no feedback or questions, and Metrolinx welcomed participants to contact their team if they had any questions following the meeting.
