

Overnight sewer and utility surveying near Exhibition Station

Expected Start Date: As early as, September 5, 2023

Expected End Date: Up to November 30, 2023

Planned work hours: 9 p.m. to 5 a.m.

What is happening?

- Construction crews will be surveying utilities and conducting sewer inspections at various points around Exhibition station as shown in yellow on the maps above.
- Crews will rotate between the locations shown on the map during the work period as each site will take one to two nights to complete the work.
- The work is done by accessing sewer manholes to assess internal conditions of sewers and cabling before station construction begins.
- Crews will drill into the road to inspect utilities under the roadway. Once complete, the drilled areas will be restored.

When will work begin and how will it impact me?

- The work is scheduled to begin as early as September 5, 2023. The work will last approximately until the end of November 2023.
- Work will take place entirely overnight from 9 p.m. to 5 a.m. the next morning.
- There will be various temporary closures both northbound and southbound on Dufferin St, Mowat Ave, Fraser Ave, Pirandello St, and Strachan Ave.
- Manitoba Dr will have temporary closures in both directions while crews set up around sewers in that area.
- The southbound bike lane on Strachan Avenue will be merged with the traffic lane.

What can I expect?

- Residents can expect to hear noise from work equipment, specifically saw cutters and hydrovac trucks as necessary.
- A traffic control person will be present at each closure guiding traffic.
- Work may be postponed or rescheduled due to unforeseen circumstances.
- All the necessary construction permits have been obtained.
